You will receive our vehicle in good working order; clean; full tank of diesel and either bottled gas or a charged gas system depending on the vehicle.
- **Return:** Please return our vehicle on time and allow 30 minutes for the hand-back. Please return it undamaged; with a full tank of diesel; gas bottles (if supplied); the refillable gas system topped up (if applicable); empty waste/grey water tank; flushed toilet cassette and the interior clean and tidy. We would hate to have to charge an additional fee for exceptional cleaning; upholstery valeting or emptying the toilet cassette and if we have to do any of those an additional fee of £75 will apply. Please also ensure you return our vehicle with a full tank of diesel; any shortfall will be deducted from your security deposit, along with a £75 fee.

This security deposit balance will be refunded back to your debit/credit card within 10 working days of our vehicle being returned as long as there are no outstanding insurance claims. It will not be refunded on return of our vehicle. We reserve the right to take any action to recover from your credit/debit card issuer all amounts due by you.

8. Use of our Vehicle: We ask that you treat our vehicle as your own and ensure it is driven in a cautious and prudent manner. Only the agreed drivers may operate it and it may not be driven under the influence of drugs or alcohol.

- Make sure the ignition key is never left on board while our vehicle is unoccupied as it invalidates your insurance and take care to leave any valuables hidden.
- Only carry the agreed number of passengers and ensure they wear the seatbelts supplied. Children should use the appropriate child seats (we don't supply these).
- Please ensure that our vehicle is only driven on sealed/bitumen roads, or in the case of an organised festival/event, only in the areas indicated by the organisers. Take care not to get stuck in soft ground. There are traction mats on board to assist you should this happen and towing points on the vehicle. Please note that you will be responsible for any towing/recovery charges should our vehicle become stuck.
- Take all reasonable steps to properly maintain our vehicle, including checking oil and coolant levels, tyre pressures and batteries. In the event of mechanical breakdown involving the drive train, clutch or engine, tell us immediately. No action or repair should be undertaken without our express permission.
- You are responsible for the cost of repairing or replacing tyres damaged during the rental period.
- Our vehicle runs on DIESEL. If you accidentally use the wrong fuel at the petrol station DO NOT start the engine as this will cause serious damage. Call us immediately. You will be responsible for any associated charges to clean the wrong fuel out.

9. Smoking: Our vehicle is strictly non-smoking and we reserve the right to charge the additional valeting and/or upholstery cleaning fees noted in section 4 should we suspect this policy has not been respected.

10. Title to our Vehicle: The vehicle remains ours and we retain title to it throughout your holiday. You have no rights to sell; lend; hire or sub-let to anyone else. If we have reason to believe you are not using our vehicle within the terms & conditions stated here we reserve the right to terminate our agreement and reclaim our vehicle with no refund due to you.

Please supply details of all driving licence(s) at the time of booking which will enable us to ensure that they comply with our requirements and save a last minute panic. If we find you don't meet our driver requirements we will not be able to let you take our vehicle.

- Age limits 25-70 years old.
- Maximum of 6 penalty points.
- Only 2 drivers per hire with both drivers having held a valid licence for 3+ years that entitles them to drive a UK category B vehicle up to 3,500kg GMW.

Exclusions:

- Overhead damage - any damage to our vehicle, its equipment and or any third party property which occurs above 6 feet (1.83 metres) from the ground.
- Personal insurance for you or your passengers (including death or bodily injury to the driver) or cover for your personal possessions.
- Damage deemed as gross negligence – this negates the insurance and you will be responsible for the total costs. This includes mis-fuelling.
- Internal damage.
- Windscreen or tyre damage.

Our insurance includes breakdown cover, which covers mechanical faults to the base chassis of our vehicle. If there are call outs due to your error - e.g. flat battery, wrong or insufficient fuel, lost keys etc., you will have to pay for those.

14. Accidents/Damage: You will have to pay the excess of £750.00 for any insurance claim should you be held responsible for the accident/damage. In cases of disputed responsibility, you will have to pay the £750.00 excess until the claim is settled and if appropriate, some or all of the excess may then be refunded.

What to do if an accident or damage to the vehicle occurs:

- **Tell us immediately.** Any delay in reporting an accident may affect the insurance claim.
- Get the names & addresses of third parties; their insurers and any witnesses and report the event to the nearest police station.

- Any loss or damage caused by breakdown, mechanical defect, accident or our vehicle being unsuitable for your purpose.
 - Any loss or damage to your personal property left in or on our vehicle.
 - You are welcome to leave one vehicle at our premises for the duration of your holiday but we are not responsible for either it or any contents.
